

ASI Autism Friendly Partnership

We thank _____ for considering an investment in the Indiana autism community through a supporting partnership with the **Autism Society of Indiana (ASI)**. Aligning with **ASI** makes a positive social statement about investing in building a supported and empowered Indiana autism community.

Educational Partner

\$1500

ASI's **Educational partners** want to give back to the Autism Community in the state of Indiana. **Educational Partners** agree that education and advocacy are important for individuals and families affected by autism. **Educational Partners** believe that education in society as a whole is important for people with autism to be afforded the same opportunities as everyone else.
